ZO INSTRUMENTS

VALUE=QUALITY+PRICE

ZO ULTRA LITE CORNET

Professional Performance. Exceptional Value.

Lightweight. Durable. Ready for Advanced Performance.

The ZO Ultra Lite Cornet combines modern materials, outstanding durability, and professional-level performance in a lightweight design ideal for students, educators, and advancing musicians.

Weighing only 1.3 lbs, the ZO Ultra Lite Cornet Polycarbonate/ABS Cornet is lightweight, practically unbreakable, and most importantly—fun to play.

Designed for durability, this ZO cornet incorporates a specially formulated polymer that delivers an impressively smooth sound, while the stainless steel valves ensure excellent response, reliability, and playability.

Constructed from advanced PC/ABS hybrid material, the ZO Cornet combines the strength and heat resistance of Polycarbonate with the toughness and durability of ABS.

*PC/ABS hybrid material merges the strength and heat resistance of PC with the toughness and processability of ABS.
