ZO INSTRUMENTS

ZO ULTRA LITE FRENCH HORN (DOUBLE)

Professional Performance. Exceptional Value.

Lightweight. Durable. Built to Inspire.

Weighing in at only 1.1 lbs, the ZO Ultra Lite Polycarbonate Bb (double) French Horn is lightweight and practically unbreakable.

Built-to-last, this ZO French Horn features specially formulated polymer material which produces an impressively warm, rich tone.

The stainless steel rotary valves are reliable offering excellent response, reliability and playability.

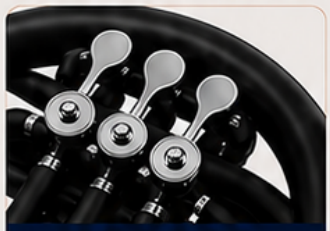

Designed with durability and high-quality craftsmanship in mind, making it a versatile choice for all levels of players.

*PC-ABS hybrid material merges the strength and heat resistance of PC with the toughness and processability of ABS.

Every ZO Ultra Lite Double French Horn features a modern matte finish, a quality mouthpiece, and a gig bag.
