THUNDERBIRD

PROFESSIONAL 6/4 TUBA

The Flagship of the ZO Professional Tuba Collection

MH MUSIC HOUSE
EXCLUSIVE U.S. DISTRIBUTOR
★★★★★

The ZO Thunderbird is a handcrafted professional 6/4 York-style tuba engineered for musicians who demand exceptional power, projection, and tonal depth.

Inspired by the legendary Chicago York design, the Thunderbird delivers a broad, warm orchestral sound with remarkable response throughout every register.

Designed for professional performers, university musicians, and serious ensembles, the Thunderbird combines precision craftsmanship with outstanding intonation and effortless playability. Its large bore, expansive 20-inch bell, and responsive 4 front-action pistons with a fifth rotary valve produce a rich, resonant sound capable of filling the largest concert halls while maintaining excellent clarity and control.
