ZBH-M300

MARCHING BARITONE HORN

Professional Performance.
Powerful Projection.
Built for the Field.

The ZO ZBH-M300 Marching Baritone is a professional-quality marching brass instrument designed to provide the warm, rich tonal character of a traditional baritone while delivering the projection, balance, and durability required for outdoor performance.

ZO's marching brass series is designed specifically for educational and performance organizations seeking reliable, high-value instruments.

GOLD SILVER
