ZO ZFH-M300 MARCHING FRENCH HORN

— PROJECT. PERFORM. LEAD. —

The ZO ZFH-M300 Marching French Horn is a high-performance marching brass instrument designed to provide the warm, noble tone of the traditional French horn while delivering the projection, balance, and durability required for marching band and field performances.

With its forward-facing bell, the ZFH-M300 projects sound directly to the audience, allowing the horn section to be heard clearly in outdoor venues, stadiums, and parade routes.
