ZO ZMP-M300 MARCHING MELLOPHONES

— PROJECT. PERFORM. LEAD. —

The ZO ZMP-M300 Marching Mellophone is a durable, field-ready brass instrument designed to deliver the rich, warm sound associated with the French horn while providing the projection and playability needed for marching performances.

With its forward-facing bell, the ZMP-M300 projects sound directly to the audience, making it the preferred choice for marching bands, pep bands, drum corps, and outdoor performances.
